

Analytic-Network Supervision Plus

ANALYTIC-NETWORK
COACHING

On-line supervision for advanced practitioners
coaches, consultants, leaders and managers

“Coaching
leaders to act
in good faith
to create
the good
society”

This unique approach to supervision is for experienced coaches, consultants and managers looking to stretch themselves and craft their practice.

Supervision Plus

This cutting-edge supervision applies our acclaimed theories to practice, enhancing personal development and workplace performance.

What is the Plus of this supervision?

The added benefits

- 1) Eco-Supervision** *'Organizations are eco-systems within eco-systems' (Western 2019)*
Our supervision takes a depth analysis approach and a network analysis approach. We explore

challenges in their micro context and in the macro eco-systems that shape the work.

- 2) A-N Coaching Compass™** This tried and tested coaching system provides a unique framework to ensure all terrain is covered and to guide future work.
- 3) Ethics** The Analytic-Network approach takes an emancipatory stance, nurturing an ethical practice that accounts for social responsibility, diversity and the environment.

The A-N Supervision Plus approach opens up new perspectives, guiding you to become a key influencer in your workplace ecosystems.

Analytic-Network Coaching Compass™

Participants will practice using the Analytic-Network Coaching Compass™ to act as an 'internal supervisor' guiding their future work

Horizontal line: Leadership to Network = Leading network change, unleashing leadership everywhere
Vertical line: Depth to Relational = Putting our soul to work, inner self to teamwork

How does the supervision work?

Participants will be selected based on their unique experience. Our aim is to create a balanced group that can produce a dynamic and creative learning environment.
